MPti™ SALES SHEET

Imagineear

The MPtouch interactive™ rugged, robust, reliable

The MPtouch interactive™ (MPti™) is a purpose-built 5" Android tablet player with a high quality, scratch-resistant capacitive touchscreen and a battery pack designed for all-day repeat rental distribution.

Ruggedised with an integral rubber frame to withstand mass use, the MPti™ is compatible with Imagineear's ground-breaking Multimedia GroupGuide™ system giving guides the ability to trigger multimedia content to group visitors.

It is WiFi enabled and can be used with third party apps or for content built and played on the device's custom TourBuilder™ platform.

The MPti™ is supplied complete with flexible modular chargers and storage, reliable and comfortable headphones, data capture and analysis capability as well as the Reptor™ upload and download software suite, as standard.
