

The Nostro Light, Powerful, Reliable

The Nostro™ delivers a compact, high-quality multimedia experience on its 5.5” IPS touchscreen. Its bright, anti-glare display ensures clear visibility, while the integral 8 MP HD camera supports augmented reality and instant content playback. Built-in directional sound technology and proximity sensors reduce ambient noise for an immersive listening experience.

Fully WiFi and Bluetooth® enabled, the Nostro™ offers flexible audio via speaker or wired headset, adapting effortlessly to different visitor and venue needs.

Powered by an A523 Octacore processor with 4 GB RAM and 64 GB storage, the Nostro™ runs Android 13/14 and comes pre-loaded with Imagineear’s software suite for seamless content control, data capture, and smart hardware management.
