Sonato™ OVERVIEW

Imagineear

The Sonato™ Adaptable, Smart and Sleek

Our biggest screen yet, the Sonato™ features a high-resolution 8.7" anti-glare touchscreen for a truly immersive multimedia experience.

Its integral HD camera enables augmented reality and automatic content triggering, while the Octacore processor ensures fast, responsive operation.

Fully WiFi and Bluetooth enabled, the Sonato™ offers flexible listening through speakers or headsets, providing seamless compatibility with our full software suite for dependable, high-performance content delivery.
