MPti™ OVERVIEW

Imagineear

The MPtouch interactive™ rugged, robust, reliable

The MPtouch interactive™ (MPti™) is a purpose-built Android tablet with a scratch-resistant touchscreen and all-day battery.

Designed for mass distribution, its integral rubber frame ensures durability during repeat rentals.

It is WiFi enabled and supports our Multimedia GroupGuide™ system, allowing guides to trigger group content effortlessly. Each unit includes modular charging, headphones, and our full software suite for seamless data capture and content management as standard.
