

The Nostro™ Light, Powerful, Reliable

The Nostro™ delivers a premium multimedia experience on a compact 5.5” anti-glare touchscreen.

Its integral 8MP HD camera supports augmented reality and instant content playback, while directional sound technology and proximity sensors ensure immersive listening.

Powered by an Octacore processor, the Nostro™ is fully WiFi and Bluetooth® enabled, offering flexible audio options and seamless compatibility with our software suite for effortless content management and data capture.
